

Dear Honorable Judge,

I am writing this letter to first thank you for hearing my concerns before your court, I pray this finds you and your family in good health.

When I appeared before your court for my sentencing hearing on February 1st, Your Honor, you said you were considering me for self-surrender so as to be able to see an eye doctor. The US government filed a motion which was put to moot and when I received a copy of your Judgement, self-surrender was not checked or check marked and nothing was mentioned about my eye issue as it had been in your honorable court which has left me in a state of confusion.

Your Honor, I wanted to humbly request to know if this was an overlook or an error because I left your honorable court with the understanding of both parties agreeing to self-surrender to the BOP after seeing an eye doctor and with conditions from Pre Trial Services.

Your Honor I understand you are very busy and I would greatly appreciate some clarity on this. Thank you for your time and attention.

Yours sincerely,
R. Asante.
